

Welcome to Life Safety Dependable

Hello Valued Customer,

By now, you may be aware that Lyons Fire and Safety is CertaSite. You may already be seeing us show up as CertaSite. We encourage you to [visit our website](#) to learn more.

As a CertaSite customer, you're getting more than a fire and life safety vendor. You get a partner with the resources and tools to safeguard your building, employees, and your time.

What This Means for You

What does this mean for you as our customer? You will enjoy the same service, with better customer service, administrative support, and advancements like:

- 24/7 online customer portal
- Inspection management and reporting
- Expanded service areas
- Life safety maintenance programs
- Multi-location support

We can now design, install, service, inspect, and maintain all your life safety systems.

Watch the video below to learn more.
